Company Profile

Geevet Remedies, as a company, was established in 1991. We started with manufacture of veterinary formulations with the motto 'care for silent life'. Our company is known for its high quality veterinary products thanks to the sheer amount of efforts that we put up in their manufacture. It is our deepest wish to be counted amongst the leading veterinary pharmaceutical brands in the country.

Working in the same direction, we have included Desire, Dedication, Determination, Innovation, Excellence and a good sense of timing as the common denominators of our success. We have a wide range of therapeutic and nutritional products for large and small animals in the domestic and overseas market. Geevet Remedies is known for its R&D work and research products in the veterinary field and the same substantiates the company's R&D excellence at the core of the planning process and its strong reliance on quality. The research team is led by Mr. Suresh B Chaudhary (Pharmacist), based in US, bringing state of the art knowledge to the company from across the globe.

It is truly a pleasure to share that our research work is done in technical collaboration with Indian Veterinary Research Institute (IVRI) and Saffrony Institute of Pharmacy. We are the manufacturers and exporters of a wide range of veterinary drugs and Nutritional (Feed) Supplements. Geevet Remedies is truly a next generation veterinary solution provider.
